DONAGHYS GLYCERINE

DIRECTIONS FOR USE

Replace up to one part of water from teat spray mixture with one part of Donaghys Glycerine, e.g. in a 10L 1:9 teat spray solution, use 1L teat spray, 1L Donaghys Glycerine and 8L water.

Spray or dip teats with solution containing Donaghys Glycerine immediately after every milking.

As teat condition improves, reduce the amount of Donaghys Glycerine used.

If you are uncertain of use rates, consult your Donaghys Territory Manager for more specific use directions.

By law, the user must take care, obtaining expert advice when necessary to avoid unnecessary pain and distress when using this product other than directed on the label.

FIRST AID

If medical advice is needed, have product container or label at hand.

Call the NATIONAL POISONS CENTRE 0800 764 766
or doctor/physician if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes.

IF ON SKIN (or hair): Rinse with water.

IF SWALLOWED: Rinse mouth. DO NOT induce vomiting.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.

EMERGENCY RESPONSE

SPILLAGE: Contain spillage with absorbent material for approved disposal.

DISPOSAL: Refer to Waste Management Authority. Dispose of material through a licensed waste contractor. Dispose of this material and its container at a hazardous or special waste collection point. Ensure container is empty. Triple rinse empty container and add rinsate to teatspray solution tank for use. Recycle empty container through Agrecovery (0800 247 326, www.agrecovery.co.nz)

PRECAUTIONS: Keep out of reach of children. Read label before use. Keep only in original container.

STORAGE: Store upright away from foodstuffs at below 25°C in original container.

Registered pursuant to the ACVM ACT 1997 NoA011370
