DONAGHYS NEUTRAL DETERGENT

Concentrated biodegradable pH neutral liquid detergent for general purpose cleaning.
Safe for use on all washable surfaces and free rinsing with streak free drying

WARNING

READ LABEL BEFORE USE

Wear protective gear including gloves, protective clothing, and eye protection when handling in large quantities. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product.

DIRECTIONS FOR USE

For dishwashing by hand, use 30ml (1 tablespoon) per sink of hot water. For removing light soil and general cleaning of surfaces such as painted walls, vinyl, upholstery, lino etc, use 30 ml-60 ml (1-2 tablespoons) per 5 litres water.

STORAGE

Keep only in original container, tightly closed, away from foodstuffs. If required, store in corrosive resistant container with a resistant line. Keep out of direct sunlight. Store locked up in a cool place.

DISPOSAL

Refer to Waste Management Authority. Disposal of material through a licensed waste contractor. Dispose of this material and its container to a hazardous or special waste collection point.

FIRST AID

If medical advice is needed, have product container or label at hand.

IF SWALLOWED: Do NOT induce vomiting. Rinse mouth and then drink plenty of water. Call a POISON CENTRE or doctor/physician if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin and/or hair with water/shower. Wash contaminated clothing before reuse.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.

**National Poisons Centre 24 hour phone:
0800 POISON (0800 764 766)**

HAZARDOUS SUBSTANCES CLASSIFICATION

6.1D Harmful if swallowed.
