

## Donaghys Neutral Detergent

Neutral Detergent is suitable for both commercial and domestic applications including general purpose cleaning. The product is free rinsing, mild on the skin.

Neutral Detergent is NZFSA approved for use in farm dairies and C31 approved maintenance compound – non-dairy.

- High strength neutral pH Detergent
- General cleaning around the dairy shed
- Excellent on calf feeding equipment
- Gentle to use - no harsh chemicals
- Add to Bulk Milk Tank cold water pre-wash rinse for superior results - compliance requires all milk contact surfaces to be rinsed with a minimum of 120 litres of compliant water before milking.
- Excellent for hand washing in the kitchen and household

### DIRECTIONS FOR USE:
