- Long lasting
- Scourable
- With easyspray nozzle
- For all weather conditions
- Also ideal for use on dairy cows

200ml e
Net weight 120g

Shake well before use

DANGER READ LABEL BEFORE USE

DIRECTIONS FOR USE

Apply only to the head or tail. Hold upright approximately 15-20cm from the animal and spray for less than 1 second. Excessive application levels are to be avoided as they may result in discolouration after scouring. Always follow clip presentation best practice by removing any contaminated wool from the fleece.

HAZARD STATEMENTS

Extremely flammable aerosol. Pressurised container: May burst if heated. Highly flammable liquid and vapour. Causes skin irritation. May cause drowsiness or dizziness. May be fatal if swallowed and enters airways. Very toxic to aquatic life with long lasting effects.

PREVENTION STATEMENTS

Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. Do not spray on an open flame or other ignition source. No smoking. Take precautionary measures against static discharge. Leaking gas fire: Do not extinguish, unless leak can be stopped safely. Eliminate all ignition sources if safe to do so. Protect from sunlight. Avoid breathing fume/gas/mist/vapours/spray. Avoid release to the environment. Wear protective gloves/protective clothing/eye protection/face protection.

RESPONSE STATEMENTS

If medical advice is needed, have product container or label at hand. IF SWALLOWED: Immediately call a POISON CENTER/doctor. Do NOT induce vomiting.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention. IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF UNWELL: Call a POISON CENTRE or doctor. Wash contaminated clothing before use. Additional information is listed in the safety data sheet.

STORAGE STATEMENTS

Store in a well ventilated place. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.

DISPOSAL STATEMENTS

Dispose of product or empty container safely. Do not pierce or burn, even after use. Avoid contamination of any water supply with product or empty container. Dispose of contents/container in accordance with local/regional/national/international regulations. Product contains Heptane.
