

Ram Harness Ultra

DONAGHYS Ram Harness Ultra is specifically designed for ease of use in the field. The harness reduces chafing while maintaining maximum crayon security with the patented dual locking system.

DURABLE WEBBING HARNESS

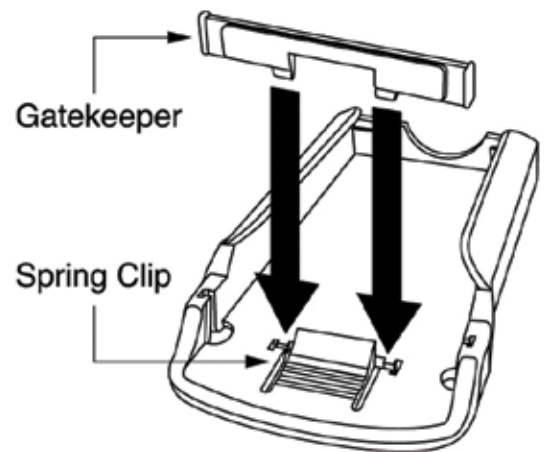

NEW DESIGN WITH INCREASED COMFORT AND DURABILITY

- Clip lock tab designed for rapid crayon change
- Specifically made to withstand all weather conditions and remain pliable
- Straps with adjustable lengths
- Non-slip buckles
- Donaghys Ram Crayons can be purchased separately

DIRECTIONS FOR USE:

Donaghys Ram Harnesses are a well recognised market leader. Manufactured in New Zealand.

- Clear directions and diagrams for use are found on the packaging.
- Always ensure that the shoulder straps are evenly tensioned to centre crayon holder on ram's brisket.
- Harness should be checked regularly particularly on rams with less than a months wool.
- Gatekeeper is provided with Donaghys Ram Crayons.

Donaghys Ram Crayons

DONAGHYS Ram Crayons are a well recognised market leader. Designed and manufactured in New Zealand, Donaghys Ram Crayons have provided generations of farmers with the best performing Ram Crayon in the field, a tradition that continues today.

DESIGNED FOR USE IN CONJUNCTION WITH DONAGHYS RAM HARNESSSES

- Available in green, blue, orange, red and yellow
 - Available in soft or medium
 - Each crayon is individually blister packed in a tray of 5
 - A single crayon is designed to last two weeks, however, the amount of wear
- will be governed by factors such as the length of the wool, the temperature and number of ewes served
- The durability of the crayon marks, with the longest lasting colour first, is as follows: green, blue, orange, red, yellow

- Slide the crayon into the holder (narrow end first).
- Slide holding clip into position and the harness is now ready for use.
- To remove the crayon, simply flick holding clip out and slide the used crayon out.
- Crayons must be checked regularly.
