DONAGHYS

Christmas Specials

Donaghys Operates a Banded Price Structure
The more you spend, the more you save

How the Pricing Works

- The Price Band levels (<\$4,999, \$5,000 - \$7,999 etc), are at Retail Standard Pricing excluding GST.
- A Customers order value is calculated at its Standard value to determine which Price Band they fall into.
- The discounted rates from that Price Band can then be applied to the Customer to calculate the actual charge to the Customer and their savings.

Christmas Special Terms and Conditions

- The Christmas Special is valid for orders placed from the 1st of December 2023 through to the 31st of January 2024.
